The School District acknowledges the importance of teachers, students and parents/guardians collaborating and learning in digital environments. It is also important that students, staff and parents/guardians use such tools in a safe and ethical manner. (See Administrative Regulation 5070.2 R: Social Media – Students and Parents/Guardians).

Teachers may use a variety of social media sites with students but are required to secure parental/guardian permission. Personal information will be collected by the School District for the above-noted purposes under the authority of Section 26 (c) of the *Freedom of Information and Protection of Privacy Act (FOIPPA)*. If stored outside the country, information in your child's account may be subject to the laws of foreign jurisdictions, such as the United States. If you have any questions about this collection, please contact your child's teacher directly.

Consent

I understand that my child's information will be disclosed, stored and accessed from outside of the School District and may also be stored and accessed from outside of Canada for the social media sites listed below.
